Dear Debbie:

On behalf of the College Workshop and Entertainment Arts students, I want to thank you for participating in our 1992 program. Shortly, our 107 interns will celebrate the completion of the program with a final graduation banquet.

It is very special to have artists of your caliber in our program. The opportunity for talented students to work directly with such professionals is rare. Disney students will conclude the program with a much broader understanding of what it takes to prepare for a career in the entertainment arts.

We greatly appreciate the time you took to be with us, and hope you had a little time to enjoy Walt Disney World.

Best wishes for your continued success. I hope that we can work together again.

Sincerely,
