Dear Debbie -

Just one more hug and a big special thank you from Associated Dance Teachers of New Jersey for making our opening workshop such a success. We are basking in the glory of being told that our faculty was outstanding - so take a bow!

Now wonderful to be able to present you at last. You may be assured that we shall all Tap Happy Together again.

Stay well. Wishing you a blessed holiday.

with love &

Eleanore

P.S. No fair that your thank you got to me so quickly. My apologies for being out of stationery (how ridiculous).
