Dear Debbie,

June 20, 2000

Thank you so much for all your hard work and correct information that you gave to me. The last of the recitals are this week. Almost every teacher has returned their evaluation form requesting to do it again next year. We distributed over 86,000 publications. Florida, along with KY, TX, NY + IN were the highest participating states. I am very impressed with the dance community. You can be very proud of your industry. Have a great summer Debbie and thanks again. Sincerely, Tustan
